(845)794-6688

SHOWROOM: 4 Thornton Ave, Monticello, NY 12701

FOR IMMEDIATE RELEASE...

TOPIC: New Product Available Locally: Pull-Down Wall Beds

Catskill Custom Closets, a independent, locally-based specialist in home storage and organizational systems, has expanded its product line to include pull-down wall beds. "With today's busy lifestyles, the ability to make the most of any given area becomes more important," says owner Jay Mendels. "Taking an existing room and being able to add a queen size bed only when you need it is a real advantage. Just pull the bed down from its 16 inch deep wall cabinet, and you've got an instant guest room that can be put in almost any area of your house."

Their primary coverage area encompasses both Sullivan and Orange Counties. Free in-home estimates are offered, or the showroom is available by appointment. Call (845)794-6688. Photos of recently installed wall beds and other current projects can be found on their website at www.catskillcustomclosets.com.
